

REMARKS

Applicant previously submitted a request to amend the title of the present application as noted above. This request and proposed amendment was made on 05/22/2003 in response to an Office Action dated 04/21/2003. However, said amendment was never officially entered into electronic records of the USPTO.

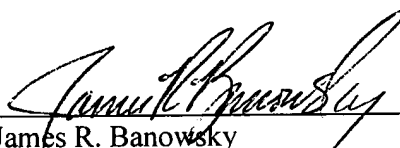

In an interview with the Examiner on 12/20/2004, the undersigned attorney discussed this matter with the Examiner. The Examiner stated that the USPTO electronic files were missing pages 8-11 of the above referenced response, so no record of the title amendment was available. The Examiner suggested the present 37 CFR 1.312 amendment.

In view of the amendments and the remarks above, Applicant respectfully submits that this case is in condition for allowance and such allowance is earnestly solicited. In the event that there are any outstanding matters remaining in the above-identified application, the Office is invited to contact the undersigned to discuss this application.

Respectfully submitted,

MICROSOFT CORPORATION
